1. The Military Industrial School of the Central Tank Workshop in Mladenovac has four classes with a total of about 300 trainees. The school has a four-year curriculum. The first three years cover theory, and the fourth year is in practical work. Young boys between 14 and 18 years of age, who have completed at least elementary school and two or three years of middle school, are admitted.
2. After schooling has been completed, the trainee becomes a specialized laborer, and agrees to serve two years in military enterprises. The school offers courses for the following professions:

Mechanic  
 Electrician  
 Lathe-operator  
 Foundryman  
 Carpenter  
 Tank specialist  
 Locksmith  
 Armament specialist  
 Milling machinist  
 Grinding machinist  
 Forging technician  
 Blacksmith  
 Welder  
 Radio electrician  
 Die maker  
 Vulcanization expert, and  
 Automobile mechanic
